...connecting people with developmental disabilities to services

What is DD Info Link?

DD Info Link is a website that has detailed information about services specifically for people with developmental disabilities and their families.

- With information on more than 300 programs and services covering the whole WNY Developmental Disabilities Service Office area you are sure to find something in your area that fits your needs.
- DD Info Link is a great way to keep up to date with new programs and services.
- An empowering tool for self-advocates and family caregivers, allows them to research available service options all in one spot.
- A great help to Medicaid Service Coordinators and other professionals, enables them to find service options for their clients quickly and easily.

"wonderful site...every family should know about this."

"Has all of your needs right there on the website."

"I would definitely have used this site sooner, had I known about it. This is a great resource for MSC's."

Service Areas Covered Include:

- Community Awareness
- Daily Living
- Education
- Employment
- Health Services
- Recreation
- Respite
- A Place to Live

Detailed information is provided on Services, Fees, Eligibility Requirements, Hours, Service Area, and Intake Procedure.

Links to program websites, Spanish translations and mapping tools give you further information.
